

Pearl Special Needs Foundation-Ahmedabad

Pearl Special Need Foundation (PSNF) is a five year old organization, registered under Trusts Act, is a brain child of Dr. Griva Shah, who carries extensive experience in the field of education for children and young people with varied challenged and special educational need (SEN). Two of her friend Ms. Bijal Fadia and Ms. Sonia Parikh joined their hands to support her in this initiative. Both carry enough experience in the field of training and coaching at various levels.

Gujarat CSR Authority has taken initiative to prepare some good quality projects in the sector of Special Education and created Special Children Fund to support the project related to Childrens with Special needs in various regions of the state. In collaboration with Pearl Special Needs Foundation Ahmedabad, GCSRA has developed a unique project proposal to enhance the Vocational Skills in individuals with special needs.

At present they are initially dealing with four trades namely (1) Computer Data Entry, (2) Divet Making, (3) Music & Singing and (4) House Keeping.

In future following trades will also include in skill training by Pearl Vocational Centre:

- Computer Data Entry Cell
- Assembly line Working Cell
- Restaurant and Hospitality Cell
- Retail Outlet and Direct Customer Interaction Cell
- Music and Singing Cell
- Divet making unit
