Every child in India has the right to food, education, health, and a chance to fulfill their dreams

ACCESS TO EDUCATION

Education is the single most important factor to ensure gender equality and empowerment

Public expenditure on education as % of GDP has gone up from 3.34% in 2005-06 to 4.13% in 2013-14

Gross Enrollment Ratio (GER) for all persons in elementary education increased from 81.6% in 2000-01 to 96.9% in 2014-15. GER for boys increased by 4.5% and girls by 26.4%

Annual Drop Out Rate has come down by 1.28%, with improvement in number of schools, facilities in schools and enrollment

During 2005-06 to 2014-15 substantial progress has been achieved towards gender parity as revealed in **Gender Parity Index (GPI)**

Enrollment
Favorable To
Girls

- Local Palate & Nutritious Food
National Nutritional Guide Lines

Components	Primary	Upper Primary
Calories	450 Cal	750 Cal
Proteins	12 gms	20 gms

92% of the money we raise goes directly into feeding children

× 232

Average number of school days

Rs.950

to feed a child for 1 year

Note: Based on FY17 numbers

We bring significant impact in the lives of children

Educational outcomes

- **MDM is first meal of the day for near 2/3rd of the children** - 72% TAPF students get stomach full of meal everyday
- **Mid-day meal program is an incentive** for bringing 9 out of 10 children in school every school day
- **Schools reported a dropout rate of only 2%** in the year of 2016-17, a significant dip from previous years
- **Social Equity:** Mid-day Meal program has helped to bring more number of SC, ST and Minority students to school
- **Improved Academic Performance:** Nutritious meal has improved the attention span and students have performed better in their annual exam and academics
- Nearly 45% children in Telangana schools between std III to VII scored >80% marks in annual exams. Performance of girl children was much better compared to boys
- **Favourite Food:** Rice or rice based food i.e. curd rice, lemon rice, biryani, fried rice and Pulses - Daal were reported as most favourite items in

Testimonials

"This is really a very important mission and I congratulate Akshaya Patra for the excellent work they have done."

Late Dr. APJ Abdul Kalam, Former President of India

"We welcome Akshaya Patra and commend its technology-intensive mechanized kitchen model. When NGOs come they bring soul to the program."

Narendra Modi, Hon. Prime Minister of India

"Going to bed hungry is sad. I am glad Akshaya Patra has initiated this joyful task of feeding the downtrodden, and the helpless go to bed with more than a square meal..."

N.R Narayana Murthy, Co-Founder - Infosys

"To scale up in just a few years from 1500 school children to almost a million is a powerful demonstration of what is possible when people work together..."

Barack Hussein Obama II, 44th President of the United States

Some of our Partners

In a humble way, we have engineered a framework that has proved effective to address education & hunger. We hope this kind of model is built around other social causes as well.

Thank You!
